

# THE EXODUS ROAD'S 2025 HUMAN TRAFFICKING REPORT

The Exodus Road disrupts the darkness of modern-day slavery through strategic regional hubs that support anti-trafficking efforts globally. Our teams in Brazil, Colombia, India, Thailand, and the United States lead and support anti-trafficking work within and beyond their borders, with successful cases supported in 16 countries worldwide.

This infographic captures the global impact of The Exodus Road's work in prevention education, intervention, and aftercare services throughout 2025, applying the utmost commitment to accurate measurement and evaluation to display the change made in the fight against human trafficking.
